SCHOOLS OUT FOR 2020

and so are 4 697 QTAC offers to Queensland Year 12 students!

By the time the last bell rings today, 4 697 Queensland Year 12 students will not only be celebrating their last day of school, they will also be walking out the front gate with a tertiary offer from one of QTAC's 16 higher education partners.

QTAC CEO Dr John Griffiths says, "The 2020 Year 12 cohort have experienced a year like no other, my own son being one of the 51 000 students graduating today." "Not only are they the first group to come through the new QCE system and be issued with the inaugural Queensland ATAR, they have also completed their senior year during a global pandemic."

Dr Griffiths added "QTAC is in the business of connecting people with opportunities in a future of unimagined possibilities, so as this group wrap up one chapter of their life, we are thrilled to be here for the start of their next adventure into higher education."

For those students that didn't receive an offer today, there are still many offer rounds before the start of Semester One 2021.

ABOUT QTAC

The Queensland Tertiary Admissions Centre (QTAC) operates a centralised tertiary application service for 16 higher education providers in Queensland and Northern New South Wales, across both undergraduate and postgraduate admissions. QTAC has been providing potential students and education institutions, employers and governments with the opportunity to connect and create long lasting productive relationships over the past 40 years, by delivering a range of education opportunities.
